Cold Weather Deaths: The committees are concerned about whether there is adequate reporting of cold weather-related deaths for individuals experiencing homelessness. The committees are interested in opportunities for improved reporting. It is the intent of the budget committees that the Office of the Chief Medical Examiner, the Department of Health and Mental Hygiene, and the Department of Human Resources collaborate to create a reporting system for cold weather deaths of people experiencing homelessness.

Cold Weather Planning: The committees are concerned about the adequacy of local cold weather shelter planning processes. The committees request that the Interagency Council on Homelessness (ICH) submit a report:

- detailing local cold weather shelter planning processes;
- identifying gaps in services and funding in local cold weather shelter plans;
- establishing standards for local cold weather shelter planning; and
- recommending any legislative changes needed.
